

Membership Sign-up sheet given to new men as part of our Newcomer Packet

Loyola Men's Group
Summer Season: May/June/July

Want to be more involved?

The Loyola Men's Group invites you to join others in the following activities:

Greeters

Be one of a dozen members who commit on a pre-scheduled evening to arrive by 7:20 P.M., stay until at least 9:50 P.M., and be responsible to welcome new people to our meeting. The Greeters will give the new man a meeting schedule, helpful literature, and most importantly, an opportunity to talk with a sober alcoholic. A specially prepared list of names and phone numbers will also be given to him, with the invitation to call anyone on the list. Greeters are also encouraged to follow-up with a phone call to the newcomer during the week.

Trees

Be involved in a "Tree". A Loyola "Tree" is made up of three men who have committed to talk with each other by phone or in person at least once a week outside the meeting. The phone Trees are reshuffled on a random basis every three months. The "Trees" give us a chance to know one another better, and watch out for each other.

Group Phone List

For all members who wish to participate, a group phone list will be prepared and shared with our membership. This list will have names, phone numbers, e-mail addresses, and sobriety dates.

Hooper Detox Meetings

Help lead meetings at Hooper on Tuesday and Thursday afternoons. At least one year of continuous sobriety is required.

Sponsorship

Loyola helps its members hook-up with Sponsors and Sponsees. Our "Sponsor Broker" can help you!
