

To our friends at Hooper,

The men of The Loyola Group have a deep and real appreciation for all that you do for us, as well as our brothers and sisters. We wish to celebrate that special feeling with a **PARTY!**

Please join us on Sunday, August 8th at Al Fornos, the street side Italian restaurant located at 200 SW Market St (the "Black Box" building). We shall share food, drink, and conversation, and perhaps when the last piece of pizza or dish of pasta is gone, you will know how highly the men of Loyola treasure your efforts for our community.

It's that simple! The party starts at 1:30PM, and goes 'til 4:30PM, so as to give all of you who work that day, a chance to spend time with us. Feel free to bring your families. We'd like to tell them too, how much you do for us.

You'll be surprised how many of our members are Hooper graduates. We're building great lives for our families and ourselves, and want you to see what can happen to us when you have given us a start.

Looking forward to our visit!
